<b>CIA On Campus</b>		
<p>With reference to the controversy over CIA recruiting on campus, and in answer to Mr. Fuerst's letter of Nov. 21, the CIA is a federal agency, and like any other employer should have the same right to recruit on the campus as any other company or governmental agency. There are no exceptions, Mr. Fuerst, or there will soon be all exceptions. No one forces students to be interviewed by the CIA. We still have our right of choice, unless one believes <del>this freedom should be taken away.</del> STANLEY ACKER.</p>
